T O T H E

Right Honourable the Lord Viscount

Q U A R E N D O N,

Representative in Parliament for the County of OXFORD.

M Y L O R D,

ESTEEM it a very great Honour, that I am allowed to inscribe the following Compositions to your Lordship. The Approbation you were pleased to bestow on some of them, was one great Inducement to me to make them and the rest publick, presuming, that such MUSICK, as had been so fortunate to please one of your excellent Taste, cou'd not fail of being in some Degree entertaining to others. I shall not insist so much as I might (without a Compliment) upon your Skill in this agreeable Science, lest I be thought to derogate from your Lordship's other great Abilities, which are more assiduously, and much more valuably employed in Matters of the highest Importance; in Maintaining the Rights and Liberties of your Country; and far be it from me, to wish the least Interruption to that truly noble Employment: My Ambition is, only to divert you during your Retirement from publick Business; and, if then my poor Endeavours shou'd so far succeed with your Lordship, as to be reckoned among your Amusements, I shall think them sufficiently rewarded.

THAT your Lordship may live long in Health, to protect and encourage Learning in every Shape, to be a Blessing to your Friends, and an Ornament to your Country, is the very sincere Wish of,

M Y L O R D,

Your LORDSHIP's most Dutiful, most Obedient,

And most Obliged Humble Servant,

William Hayes.

THE
HONORABLE
MEMBER OF PARLIAMENT

EDWARD

Wm. Lloyd Garrison
